

Infobip is a world leader in mobile messaging and payments. We pride ourselves in our ability to provide specialised products and solutions to operators, technology and channel partners worldwide. Our portfolio is designed in-house and draws on our extensive experience in advanced mobile technologies. For more information, visit www.infobip.com.

As our business grows daily, we are seeking to recruit new members to join our team of enthusiastic and committed professionals. Contact us for the employment opportunity:

WEB AND MOBILE DESIGNER (Belgrade-Serbia)

QUALIFICATIONS:

- Strong visual design skills
- Experience creating incredible graphics and web pages
- Excellent skills with Photoshop and/or Illustrator
- Working knowledge of HTML/CSS
- Experience designing for mobile devices, especially iOS and Android
- UI/UX design experience is a plus
- Ambition in your own area of expertise, with the desire to grow along with the company
- The drive to learn new techniques, styles and technical skills so you can keep up and keep ahead of the industry
- Ability to quickly execute hi-fidelity comps with a strong attention to pixel-level detail
- Portfolio demonstrating experience designing websites and mobile apps

RESPONSIBILITIES:

- Creating graphic mockups for various mobile payment applications (desktop and mobile) and web sites
- Converting mockups to HTML and CSS
- Creating graphics, illustrations and icons
- Delivering high-quality work on schedule

We offer international and dynamic working conditions, challenging situations that allow personal and professional development.

Send us your CV and cover letter to careers@infobip.com. We are looking forward to meeting brave individuals who look to create the future of one of the largest IT companies in the Central and Southeast Europe.

Welcome to Infobip!
