

ManpowerGroup is a worldwide innovative forerunner and leader in the field of employment through the provision of services and workforce management solutions for clients and helping people in their career development with the aim of understanding the needs of the clients and candidates in the changing world of work.

On behalf of our client, a newly established furniture company based in London, ManpowerGroup Serbia is searching for a candidate motivated to take the challenge and to successfully fulfil the position of:

3D Modeler

Location: Belgrade

Job Description:

- Assist senior members of staff in all aspects of 3D modeling
- Revise drawings and renderings
- Produce graphic presentations
- Build 3D study models
- Conduct research for the project team when and if needed
- Assist with preparation of design drawings
- Assists in space planning and programming activities
- Maintain project records and all information in a tidy, logical and organised manner
- Display passion for 3D design and presentation

Desired Candidate Profile:

- Strong 3-D computer rendering skills (Autocad, Photoshop, 3D Max, MarvelousDesigner, Zbrush etc.) with required portfolio of previously completed projects
- Flexibility to focus on a variety of project types or multiple, concurrent projects in various stages of development
- Strong portfolio and elevated sense of design, color and typography: you know the difference between "good" and "great"
- Ability to sketch and draw traditionally then bring those sketches to life via a solid working knowledge of organic 3D modeling using Autodesk 3ds Max

- 3+ years of experience in creative agency or in-house team in a similar function
- Fluency with Adobe Creative Suite
- 3D Modeling, texture and rendering experience (Modeling, Texturing, Lighting, Compositing)
- Ability to work well in a team environment
- Advanced knowledge of English language is a must
