

Esokia is an international digital agency created in 2008 in Mauritius. Today, Esokia counts 200 collaborators between 4 production centers (headquarters in Mauritius, Serbia, Madagascar and Costa Rica) and has a commercial presence in Paris as well. We assist companies in their digital transformation and we develop all the required mediums: e-commerce websites, corporate websites, social networks... iOS, Android and Windows Phone mobile applications. We use the most innovative technologies and we also assist companies in their web marketing strategy and actions.

For more information, please visit our website: www.esokia.com

We are always on a hunt for ambitious, curious, and enthusiastic individuals with design and coding experience, who can carry ideas/concepts through the analyzes and evaluation, then develop, test, deploy and support complex software systems.

Open position:

Android Developer

Location: *Belgrade, Serbia*

About your role:

As an *Android Developer* in our Mobile Department, you will design and build advanced applications for the Android platform, collaborate with server teams to define, design, and ship new services, work with outside data sources and API's, test code for robustness, including edge cases, usability, and general reliability, work on bug fixing and improving application performance and continuously discover, evaluate, and implement new technologies to maximize development efficiency. You must be a good communicator and team player, with strong organizational skills, so you can be able to take full responsibility in leading project when needed.

Your profile:

- ✓ Intermediate/Senior level Android Developer with knowledge of:
 - Android SDK
 - Java
 - Android Studio

- Design Patterns
- Git
- SVN
- Multi-Threading

- ✓ Good understanding of the full mobile development life cycle

What's in it for you:

- ✓ An awesome salary package \$\$\$
- ✓ Great coworkers
- ✓ Flexible working hours and emphasis on employee work-life balance
- ✓ You can also work from home sometimes if you feel like that ;)
- ✓ Interesting projects
- ✓ Opportunities to grow within the company and expand your knowledge and skills
- ✓ Working with globally recognized brands
- ✓ Fancy laptop
- ✓ Unlimited supplies of coffee and juices

You are crazy about Android technology, and you are ready to engage yourself for a full-time position?

Esokia is the right place for you!

Share your passion for digital! We want to work with more creators, innovators and builders. Don't you?

If you meet the requirements, submit your CV electronically.
