

Truly different.

Conceived as a place where students learn about the world around them in a creative and modern way, Savremena International School is an inspiring environment for ambitious young people who strive towards high academic goals. Teaching creatively by using new technologies on a daily basis, we strive to develop critical thinking, encourage new ideas and support the development of both knowledge and skills.

If you consider yourself part of the teaching elite, who can rightly serve as a role model to their students by demonstrating creativity, honouring work habits, responsibility, ethics and academic aspiration, Savremena is a place for you. We therefore invite you to apply for a vacancy
