

JOORNEY IS HIRING
Business Plans

Financial and
Business Consultant

Financial and Business Consultant

Joorney is a **business plan writing company** that focuses on **specific-purpose business writing and financial forecasting**, rather than on all-round, comprehensive consulting services. The overwhelming majority of the company's services are provided to clients who already operate or are aiming to operate in the North American market.

The Financial and Business Consultant position will be a part of our **advisory team**, focused on providing business plan services, startup and M&A advisory, presentation services, and market research. Our advisory team is expanding due to our continuous growth and an ever-increasing number of projects that our clients entrust us with.

You will be joining a team that consists of about 40 people in offices spread across Belgrade, Novi Sad, and Niš. Your main goal will be to always prepare **outstanding deliverables** for our clients, and to thus maintain and improve clients' product satisfaction that allows for our continuous **organic growth**.

Job Responsibilities:

- Communication with clients: ability to obtain/discuss financial model assumptions and challenge/advise the client on the spot about business logic
