

Wireless Media is a dynamic, innovative IT company. We design and develop our own web and mobile IT solutions, and partner with some of the most recognizable mobile brands and leading telecoms, in the Balkans and the Middle East. Our company culture encourages creativity and promotes leadership, entrepreneurship and audacity.

We have an opening for the position of  
Intern Visual Designer

Wireless Media's Creative team is looking for an energetic designer intern willing to develop their ideas and knowledge while working on our projects. During the three months internship Wireless Media's Creative team will provide you with lots of support in tackling your design tasks and will give you the opportunity to learn from a team of experienced designers following the standards of Agile methodology.

You need to have:

- Artistic talent
- Basic knowledge of Photoshop & Illustrator
- Irrepressible enthusiasm for design and research, learning, sharing stuff
- Lots of initiative, attention to detail

In return we offer:

- Mentoring through the design process
- Opportunity to work on challenging projects with experienced professionals
- In house trainings
- Great working environment
- Top notch material for your future portfolio
- Recommendation
- Transportation expenses

If you are interested to join our team you should send us examples of your most impressive work and resume at [belgrade@wm.rs](mailto:belgrade@wm.rs)

We will contact shortlisted candidates only.
