

PSTech is the leading software & solutions company in the region, located in Belgrade, Serbia. We take full advantage of geographical, infrastructural and human resources to provide excellent quality to our clients. We were founded in 1996 and we maintain steady business growth ever since, with 300+ experts engaged in development of consumer and business software solutions and products today. Our engineers' technical background, passion for software development, and dedication to highest levels of client satisfaction enable numerous long-term partnerships with our clients.

Due to strong demand for our services, we are looking for:

.NET Software Developer

We are looking for engineers to work on development of integration solutions for our customer's existing products. Qualified candidates will possess experience with object oriented programming, excellent coding skills, strong verbal and written communication skills, and preferably experience with Microsoft products and technologies.

This is what we offer:

- Skilled teammates with diverse backgrounds and interests
- Casual and relaxed, yet professional working environment
- Interesting project, flexible working hours and a steady job
- Opportunities to get intl. experience in local environment
- Continuous career and personal development, and more

We set the bar high and here is what we expect:

- 3+ years of experience in .NET/C#/ASP.NET development
- Experience with REST / SOAP
- Experience with RDBMS and knowledge of MS SQL
- Understanding of common design patterns and practices
- Passion and initiative for continuous learning
- Ability to adapt and learn new technologies
- Good spoken and written English

The following skills will be considered an advantage:

- Willing to learn Microsoft product customization

- Relevant MS certifications, familiarity with MS SharePoint
- Familiarity with Agile/Scrum methodologies
- Experience with source control systems (Git, Perforce...)

If you are interested in this position and you have the required qualifications, please send your CV via email in PDF to posao@pstech.rs. Please note that due to large number of applications we receive, we will only contact those candidates that are selected for an interview.
