

ALITE International is a knowledge and consultancy company founded in Sweden. We are represented in 6 countries and are working within Digital Transformation, Digital Innovation and Smart Sourcing.

ALITE International is bringing some of the biggest Scandinavian names as partners and clients to Serbia. With us, you will be working with interesting clients, innovative and challenging projects, and highly skilled co-workers.

ALITE International is growing strong and we are expanding our .NET Technology team. This position is for persons that would like to grow and take more responsibility over time.

This full time position will be located in our Belgrade office in Business Center UŠĆE.

.NET Engineer

MULTIPLE POSITIONS

Location: Belgrade

The ideal candidate should have the following:

- University degree in Computer Science or related
- Solid understanding of web development with a focus on .NET technologies, including ASP.NET, MVC and C#
- HTML, CSS and JavaScript knowledge
- Understanding of Design Patterns
- EPiServer, Sitecore or any CMS experience will be considered as a plus
- Willingness to learn new products, technologies and industry trends
- Commitment to quality and team-work
- Ability to travel abroad (Sweden, and other EU countries)
- Verbal and written communication skills in English

We offer you:

- Great colleagues and a positive company culture
- The chance to constantly upgrade your knowledge and to work with the latest tools and technologies
- An inspiring working environment in our modern premises
- A competitive salary

If you wish to become part of our team, please send us your CV electronically.
