

## Short about the P3

We manage projects and reorganize company processes in automotive, aviation and telecommunication industries. Established 1996 as spinoff of the Fraunhofer Institute of Production Technology Aachen we are now more than 2,500 P3 team-members at 35 locations worldwide.

P3 offers worldwide technical consulting and services for the telecommunications industry. As a leading international company we work for established network operators, suppliers, device manufacturers and regulatory authorities since 2001.
