

We are looking for Senior to join our team.

Fraud Investigation & Dispute Services practice

As a FIDS Senior, you will technically contribute to fraud investigation, compliance, anti-fraud and other forensic type engagements. An important part of your role will be to actively establish, maintain and strengthen internal and external relationships. You will also identify and escalate potential business opportunities for EY on existing engagements. Similarly, you will anticipate and identify risks and inform other team members on significant issues.

Profile & Experience

- University degree
- Minimum 2-3 years of experience in accounting/assurance/banking,
- Excellent written and verbal communication skills in English
- Other language will be considered as advantage
- Proficient IT skills (Word, Excel, Power Point)
- Additional certificates (CFE, ACCA, CIA) will be considered as advantage
- High level of motivation and drive to develop a career in professional services

Skills

- Self-motivated, positive attitude
- Willingness to learn
- Attention to detail with a commitment to high quality and accuracy
- Desire to exceed expectations

We offer you:

- Work with a bright, friendly and energetic team
- Develop your personal and business skills by working on challenging projects with some of the most well-known companies as well as through our extensive learning and development programs.

If you meet the above mentioned requirements, apply online:
