

WE'RE HIRING

## Digital Marketing Intern

We're looking for someone who is interested in learning all there is to learn about digital marketing, someone who has some experience with SEO, and who can create engaging content. We're ready to teach you everything that you've missed out on, so don't hesitate to apply!

## Job Requirements

Fluency in English, both spoken and written.  
Knowledge of SEO (on-page, off-page, technical).

## You must also be

Organized, professional, punctual,  
Efficient, ready to take initiative, and prepared to work  
both independently and in a team,  
Enthusiastic, creative, and an open-minded team player,  
Eager to learn and grow.

## What We Offer

A chance for you to work in a young, friendly team of  
experienced marketers, designers, and developers.  
Modern and cozy offices in the heart of Belgrade,  
A pleasant and relaxed working environment, with  
frequent team buildings.

If you feel like you have what it takes to join us,
