

PREPRESS/GRAPHIC DESIGNER

EIPIX Entertainment

Novi Sad

Prepress/graphic designer sets the foundation for successful printing and publishing procedures.

Your job will be to ensure that the proper format, appearance, design and layout of text and images is set before the full print run for magazines, brochures, catalogs, packaging materials or labels is completed.

Prepress/graphic designer takes print or electronic files and scans or imports them into specialized software, arranging and designing them, making color, text, and digital image corrections as needed.

Required skills:

- Adobe CS (Adobe Illustrator, InDesign, Photoshop)
- MS Office (Word, Excel, PowerPoint)
- Experience in prepress printed material preparation
- Ability to communicate ideas, instructions and questions
- Ability to work under deadlines
- Strong interpersonal skills in working with a variety of people, ability to troubleshoot and address supervisor concerns, good eyesight and attention to detail

Additional skills:

- Experience in publishing
- Knowledge of social media platforms
- Knowledge of CorelDraw
- Passion for video games, comics and books

Benefits:

- Continuous learning
- Entertainment zone
- Team building activities
- Pet friendly company
- Creative work environment
- 3.000 m2 of workspace
- Gaming tournaments
- Numerous discounts in the Novi Sad area
- EipixCON
- Teamwork
