

Esokia is an international digital agency created in 2008 in Mauritius. Today, Esokia counts 200 collaborators between 4 production centers (headquarters in Mauritius, Serbia, Madagascar and Costa Rica) and has a commercial presence in Paris as well. We assist companies in their digital transformation and we develop all the required mediums: e-commerce websites, corporate websites, social networks... iOS, Android and Windows Phone mobile applications. We use the most innovative technologies and we also assist companies in their web marketing strategy and actions.

For more information, please visit our website: [www.esokia.com](http://www.esokia.com)

We are always on a hunt for ambitious, curious, and enthusiastic individuals with design and coding experience, who can carry ideas/concepts through the analyzes and evaluation, then develop, test, deploy and support complex software systems.

Open position:

## **React JS Developer**

**Location: *Belgrade, Serbia***

### **About your role:**

We are looking for React.js developer, responsible for the client side of our service. Your primary focus will be to implement a complete user interface in web applications, with a focus on performance. Your main duties will include creating modules and components and coupling them together into a functional app. The artistic design will be delivered to you, together with a few HTML templates, but we will ask for your help in regard to animations, CSS, and final HTML output.

### **Your profile:**

- Strong proficiency in JavaScript, including DOM manipulation and the JavaScript object model
- Good understanding of React.js and its core principles
- Experience with popular React.js workflows (such as Flux or Redux)
- Experience with data structure libraries (e.g., Immutable.js)
- Familiarity with RESTful APIs

- Knowledge of modern authorization mechanisms
- Experience with common front-end development tools

### **What's in it for you:**

- ✓ Competitive salary package
- ✓ Great coworkers
- ✓ Flexible working hours and emphasis on employee work-life balance
- ✓ You can also work from home sometimes if you feel like that ;)
- ✓ Interesting projects
- ✓ Opportunities to grow within the company and expand your knowledge and skills
- ✓ Working with globally recognized brands

### **You are crazy about React JS technology, and you are ready to engage yourself for a full-time position?**

Esokia is the right place for you!

Share your passion for digital! We want to work with more creators, innovators and builders. Don't you?
