

Westum is an international company entirely focused on Digital Commerce. We envision and seamlessly deliver high-end e-commerce solutions that amplify global brands and drive more online sales. Our mission is to continually acquire and structure the cutting edge expertise enabling us to substantially contribute to our customer's success.

We have been consistently growing since 2006 and currently looking for **IT Project Manager** to join our team based in Belgrade, Serbia. As our Project Manager, you will be responsible for managing projects and successfully delivering e-commerce solutions for global brands.

TITLE

IT Project Manager

Location: Belgrade

Responsibilities:

- Work closely with our customers to understand their business requirements and define (the corresponding) project plans, priorities, scope, time and resources allocation
- Develop project schedules and plans using the standard project management tools and methodologies
- Demonstrate strategic thinking and problem solving by using appropriate information to diagnose project problems and identify possible solutions.
- Manage all aspects of projects including the requirements analysis, budgeting, planning, designing, building, testing, training, launch coordination and transition to support
- Plan and facilitate regular project team meetings involving technical resources, support staff, and business users; regularly publish minutes and status reports.
- Manage customer relations by fostering productive and effective relationships with business users
- Assist in the prioritization of projects by providing reliable work schedules and time estimates.
- Coordinate and report out all PMO deliverables related to this portion of the project (status, charter updates, requirements documentation, timeline, issues/risks, etc.)

Requirements

- 5+ years in full lifecycle IT Project Management for international clients
- 2+ years solutions delivery experience
- Native or full professional proficiency in English
- PMI / PMP certification (preferred)
- Demonstrates high ethics and values: Inspires loyalty and trust, handles oneself professionally

following core values and beliefs

WE OFFER:

- Competitive salary package
- Opportunity to work in friendly, fun and open working environment
- Potential for career growth
- Be a part of fast growing company and work with globally recognized brands
