

At Alite International, we are building a great Technology team, and we need UI Designers / Developers that would like to grow with us.

ALITE International is bringing some of the biggest Scandinavian names as partners and clients to Serbia. With us, you will be working with interesting clients, innovative and challenging projects, and highly skilled co-workers.

At ALITE International, we are growing a UX & UI team of passionate, like-minded people.

We need UI Designers/Developers that would like to grow and take more responsibility over time.

#### WE'RE HIRING

# UI DESIGNERS/DEVELOPERS

This full time position will be located in our Belgrade offices in Business Center UŠĆE.

The ideal candidate should have the following:

- University degree in Computer Science, Design or related
- Good understanding of web markup, including HTML5, CSS3
- Experience in UI design and implementation
- Proficiency in Photoshop, Illustrator or other visual design and wire-framing tools
- Talent to transform business and creative ideas into visually appealing, usable and useful assets
- Core understanding of JavaScript frameworks is a plus
- Understanding of CSS methodologies such as SMACSS, OOCSS and BEM is a plus
- Verbal and written communication skills in English
- Commitment to quality and team-work
- Ability to travel abroad (Sweden and other EU countries)

We offer you:

- Great colleagues and a positive company culture
- The chance to constantly upgrade your knowledge and to work with the latest tools and technologies
- An inspiring working environment in our modern premises
- A competitive salary

If you are an experienced UI Designer/Developer or you are simply willing to grow your talent with us, please send us your CV electronically.
